[Principles of transaction-oriented database recovery](#) - [► wisc.edu](#) (PDF)
 T Haerder, A Reuter - ACM Computing Surveys (CSUR), 1983 - portal.acm.org
 ... The techniques that achieve isolation are known as synchronization, and since ...
[Record-oriented, navi- Logical and physical gational access schema description](#) ...
[Cited by 643](#) - [Related articles](#) - [Web Search](#) - [Library Search](#) - [All 21 versions](#)

[Synchronization process negotiation for computing devices](#)
 RW Feague - US Patent App. 09/877,553, 2001 - Google Patents
 ... [0045] Record-oriented synchronization correlates data set records by assuming that
 each record can be uniquely identified throughout its lifetime. ...
[Cited by 8](#) - [Related articles](#) - [Web Search](#) - [All 4 versions](#)

[Problems in supporting data base transactions in an operating system transaction manager](#) -
[► berkeley.edu](#) (PDF)
 M Stonebraker, D DuBourdieu, W Edwards - ACM SIGOPS Operating Systems Review, 1985 - portal.acm.org
 ... to change the low level write routines to deliver record oriented updates rather ...
 The ROAM lock manager will provide appropriate synchronization of this request ...
[Cited by 22](#) - [Related articles](#) - [Web Search](#) - [Library Search](#) - [All 8 versions](#)

[Extendible method and apparatus for synchronizing files on two different computer systems](#)
 JC Hawkins, M Albanese - US Patent 5,884,323, 1999 - freepatentsonline.com
 ... a set of software functions that perform various synchronization tasks are ... services,
 a) Session services, b) File oriented services, c) Record oriented services ...
[Cited by 34](#) - [Related articles](#) - [Web Search](#) - [All 3 versions](#)

[Block Oriented Processing of Relational Database Operations in Modern Computer Architectures](#)
 S Padmanabhan, T Maikemus, R Agarwal, A Jhingran - PROCEEDINGS OF THE INTERNATIONAL CONFERENCE ON DATA
 ..., 2001 - doi.ieeecomputersociety.org
 ... Sec- tion 2 describes the current record-oriented, iterative pro ... inter-process
 communication between operators, avoiding process synchronization and scheduling ...
[Cited by 20](#) - [Related articles](#) - [Web Search](#) - [BL Direct](#) - [All 7 versions](#)

[Method and apparatus for synchronizing information on two different computer systems](#)
 GR Kucala - US Patent App. 09/835,044, 2001 - Google Patents
 ... lists, address lists, phone lists, and any other record oriented database file. ... altered
 with new, modified, and deleted records since the last synchronization. ...
[Cited by 60](#) - [Related articles](#) - [Web Search](#) - [All 5 versions](#)

[File record maintenance in a data processing system by synchronization of menus with corresponding ...](#)
 EE Kelley, NJ Daurer - US Patent 5,537,587, 1996 - freepatentsonline.com
 ... system for search and retrieval of data within text and record oriented files. ...
 395/157, Method and system for synchronization of simultaneous displays of related ...
[Cited by 5](#) - [Related articles](#) - [Web Search](#) - [All 3 versions](#)

[Data processing environment with methods providing contemporaneous synchronization of two or more ...](#)
 EO Bodnar, C LaRue, B Dube, S Kirani, S Suresh - US Patent App. 09/928,609, 2001 - Google Patents
 ... [0033] Record-oriented synchronization correlates data set records by assuming that
 each record can be uniquely identified throughout its lifetime. ...
[Cited by 4](#) - [Related articles](#) - [Web Search](#) - [All 5 versions](#)

[Extendible method and apparatus for synchronizing multiple files on two different computer systems](#)
 JC Hawkins, M Albanese - US Patent 6,000,000, 1999 - freepatentsonline.com
 ... a set of software functions that perform various synchronization tasks are ... services,

a) Session services, b) File oriented services, c) Record oriented services ...
